

Reduce unscheduled fuel related service calls

Keep your customers' fuel systems cleaner & operating more efficiently with Sprague's HeatForce[®] premium heating oil

HeatForce[®] Benefits:

- Reduces service calls due to plugged filters, nozzles and strainers
- Provides corrosion inhibitors, which protect tanks and oil lines
- Helps reduce fuel breakdown caused by interaction with yellow metals
- Improves stabilization of fuel in tanks by keeping fuel fresh longer
- Helps clean entire fuel system by progressively dispersing existing sludge
- Protects **biofuel** blends from degradation

Our Energy Makes the Difference[®]

Help extend the life of your heating system with HeatForce®

“Our customer’s unit could have easily gone longer without being serviced [because of HeatForce®]. Our service technicians no longer come back to the office at the end of the day covered in soot and smelling like a fuel bath [after] doing their jobs.”

- Steve Walsh, Davis Oil Company, Inc.
